

BALTIMORE-CANTON CRUISE 2009  
SEPT 19 -23, 2009  
DON & JEAN SABALLUS

Ahoy Sailors,

Thus far, we have the following confirmed seafarers for the upcoming Baltimore/Canton cruise.

Yes: Eagle, Falconer, Rejoice

Maybes: Avatar, Chinook Wind, Lynx, Voyager

The preliminary itinerary is proposed as follows:

Saturday, September 19th                      Bodkin Creek                      @ anchor (Captain's  
Party aboard Falconer)

Sunday, September 20th                      Anchorage Marina - Baltimore/Canton    Group  
Dinner @ The Speakeasy Saloon & Dining House

Monday, September 21                      "                      "                      (Lay day  
activities & afternoon cocktails on the dock)

Tuesday, September 22                      Swan Cove, Rock Hall @ anchor

Wednesday, September 23                      Whitehall Bay                      @ anchor (then  
Annapolis cruise hand off, or proceed home)

Details on the Captain's Party, and numerous options for delightful activities in Baltimore/Canton will be forthcoming. Note that a group to attend the Orioles/Red Sox baseball game was planned for 1:35 pm on Sunday, but because of low interest we will not purchase tickets in advance at group rates (requires 10 minimum). Interested cruisers may purchase tickets on their own and coordinate as desired.

The group dinner at the "Speakeasy Saloon & Dining House" is planned in a private upstairs elegant (yet very comfortable) dining room with a '30's decor, graced with life sized murals and strategically placed mirrors that invite you to imagine rubbing elbows with flappers and gangsters. A varied and very reasonably priced menu with Greek and European dishes as well as American fare (including tasty sandwiches) should satisfy our varied cruiser tastes. Add the 150yr old staircase, tin ceiling antiqued in gold and we should be in good stead.

Docking fees at Anchorage Marina (Canton) are \$1.75 if we can muster 10 boats (\$2.00 otherwise). Our timing is right, as the dock master says this is a slow period and he can probably keep the group together on the same dock. He is very glad to have us back, and seems most willing to work with us.

So let's hear from you CSSMers as soon as possible so we can secure the necessary arrangements. "Maybe's" and "Non-responders" please let us know if you will come by sail and would like a slip reserved. Also, for those who can't come by boat, but wish to drive to join us for dinner, please advise so we can include you in the dinner reservations.

That's it for now. More later as details are finalized.
